

CSB Nutrition Corporation

380 North 880 West

Lindon, Utah 84042

PLASTICIZER FREE CERTIFICATE

July 25, 2011

To Whom It May Concern:

This certificate's purpose is to certify that the following plasticizing substances are not used during the manufacturing process of any product made at CSB Nutrition Corporation:

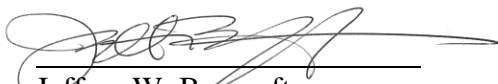

- DEHP
- BBP
- DBP
- DIDP
- DINP
- DnOP

These substances are not used for any procedures whatsoever performed in CSB Nutrition's facility.

Specifically, none of these are ever used in the production of the following NHT Global product:

- Glucosamine 2200

Sincerely,

Jeffrey W. Bancroft
VP, Science and Technology
